

REACH

Pre-registration

A key milestone of REACH, pre-registration, starts from 1st June 2008. This briefing will help people to understand how to sign up to the REACH-IT systems and how to pre-register on-line.

UK Enforcement arrangements

REACH requires the establishment of national enforcement arrangements. This briefing will also inform on the developing enforcement arrangements for the UK

Who should attend?

Any company who manufactures in or imports into the EU chemical substances (either on their own, in preparations, or intentionally released from articles) at quantities of 1 tonne or more per year and is intending to pre-register.

What will it cover?

- REACH-IT
 - How to sign up
 - How to Pre-Register on-line
- Enforcement of REACH in the UK

Seagoe Hotel

Portadown.
