Southern Branch
News Page

Issue 1

Welcome to the first newsletter from the Southern Branch.

Going forward we will try and provide you with up and coming information of events happening around the Southern Branch and also any subject that may be of interest to both the Metal Finishing and the Paint industry.

We would welcome any topical articles that may be of interest to the IMF so if any IMF member wishes to suggest or write any articles that they feel may be of interest, please forward to

JohnB_IMF@btinternet.com (John Burgess Publicity Officer for Southern Branch).

The Southern Branch holds seminar events 3 times a year (see details for this year below), therefore if there are any particular subjects of interest that you would like us to consider then once again please contact me at the above email address.

Upcoming Events

*Tuesday 23rd May 2017 FAST, Farnborough, Hants (See website for details)

Aerospace Topics *A brief introduction to NADCAP. Martin Trigg Hogarth (Poeton)*

Development of selectively metallised 3D Polymer surfaces.
